CirrusData®

What a Year!

"Cirrus Data is on a mission to help businesses regain control of their data, eliminating vendor lock-in and empowering them to proactively optimize their storage resources. The new technologies and partnerships we announced in 2023 will enable customers to accelerate their digital goals with seamless data mobility."

– Wayne Lam, Chairman and CEO

CENTER STAGE
CLOUD MOBILITY

Expanded Partnership
- Marketplace offering
- Sponsored solution program
- **NEW** Azure Storage Planner

Integrated Rapid Deployment
- Cirrus Migrate Cloud integrates with major public clouds

Robust Integrations
- Integrated with marketplace
- Seamless migration to cloud-native virtualization

CLOUD STORAGE OPTIMIZATION

Want public cloud flexibility with enterprise-class block storage functionality?

Virtual Cloud Arrays

50% COST SAVINGS* WITH ENTERPRISE-CLASS DATA REDUCTION

CDS BUSINESS BENEFITS

Live Data Migration

4 -6xs Faster**

Start Migrating Without Rebooting or Downtime

+30

- **Over 30 Enterprise-Proven** block storage integrations and compatibility with remaining vendors
- **10 NEW** storage plug-ins and integrations added in 2023
- **NEW Virtualization Migration!** Integrated with cloud-native solutions. Migrate from your current virtual machine to any cloud-native solution.

DID YOU KNOW?

New!

You can now easily automate data Migration Operations (MigrateOps)

AVAILABLE NOW

MIGRATE BLOCK STORAGE AND OPTIMIZE YOUR VIRTUALIZATION

Unlock your hypervisor with automated migration to your new VM.
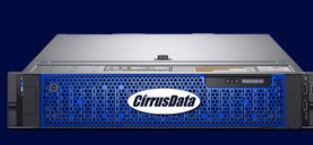

Certified Interoperability

Control Your Data

Lower Costs

NEW!
CIRRUS MIGRATE ON-PREMISES

01 One Solution
Fiber channel (FC) and iSCSI-based storage arrays on one appliance.

02 Increased Productivity
Automate tedious manual data migration tasks.

03 Enriched Flexibility
Any block storage, any OS, and any hypervisor

04 Unbridled Scalability
Migrate as much data as your network can handle

05 Complete Visibility
Monitor your migration from a single pane of glass for complete visibility

THANK YOU

Special thank you to all our partners, customers, team members, vendors, and stakeholders! It was a remarkable year that would not have been possible without your support.
